

ABOUT SCOMS

The South Carolina Osteopathic Medical Society is the official osteopathic medical society for the state of South Carolina that provides services and networking opportunities to nearly 500 physician, resident and student members. Its purpose is to improve and promote public health by the advancement of the science and profession of osteopathic medicine; to collect and disseminate information of professional interest and value to members of this Society; and to elevate and maintain the standards of the Osteopathic profession in the state of South Carolina.

JOIN SCOMS

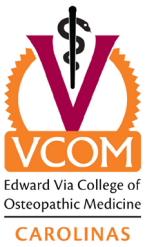

The SCOMS membership is comprised of physicians, residents and medical students who have an unwavering passion for the osteopathic profession. The benefits of membership include: advocacy on state and national levels, networking opportunities, legislative reports and updates, discount registration for approximately 40 hours of Category 1-A CME Credits annually, opportunities for research collaboration, and a website that offers private networking with peer connections, discussion forums, job postings, and a member directory searchable by specialty or zip code. Joining SCOMS is an excellent investment. Take advantage of the special pricing of \$100 per year or \$225 for 3 years!!

South Carolina Osteopathic Medical Society
Co-Sponsored by
Edward Via College of Osteopathic Medicine - Carolinas

2020 Winter CME Conference February 21-22, 2020 Columbia, S.C.

From The Program Chair

The South Carolina Osteopathic Medical Society and Edward Via College of Osteopathic Medicine - Carolinas are pleased to present the 2020 SCOMS Winter CME Conference. Dynamic speakers will present on a range of medical topics and rapidly changing

therapeutic areas. The Conference features updates on general and neuro/spinal surgery, coding and billing, vaping and CBD oil, OMM, lower extremity wounds, cardiology, diagnostic studies, prescribing & monitoring controlled substances, end of life conversations, and much more. Attendees will enjoy a Friday evening reception and plenty of networking opportunities. I hope you will join other osteopathic physicians from around the state and region in Columbia on February 21 and 22.

Ryan Hakimi, DO, MS, FNCS, NVS

Director, Inpatient Neurology Services
Director, Neuro ICU at Prisma Health Upstate
Associate Professor, Dept. of Medicine (Neurology)
at USC School of Medicine-Greenville

Course Description

Designed to update osteopathic physicians on current information regarding important medical topics and rapidly changing therapeutic areas, this program places emphasis on practical and useful information for a clinical practice.

Who Should Attend?

Osteopathic Physicians – primary care physicians, internal medicine physicians and specialists. Students and residents will benefit from this conference by attending the general session, as well as a breakout session designed for them.

Course Learning Objectives

Following the conference, attendees will be able to:

- Discuss the clinical presentation of common disorders seen in primary care
- Utilize current advances in the diagnosis and treatment of these common problems
- Identify highly relevant medical findings that may change how a primary care physician currently practices
- Interact and question speakers on a variety of common clinical scenarios from medical practice

CME Credits – DO's: The American Osteopathic Association (AOA) accredits the South Carolina Osteopathic Medical Society (SCOMS) to provide osteopathic medical education to physicians. SCOMS designates this program for a maximum of 12 AOA Category 1-A CME credits and it will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.

SCOMS Continuing Medical Education Policy: Evaluation data will be compiled and provided to SCOMS. Comments and suggestions regarding program content, location and other program specific details will be considered when planning future activities. Grievances regarding program administration and reporting of AOA CME credits will be handled on an individual basis. Participants with grievances that cannot be resolved will be sent to the AOA CCME.

Disclosure Statement: It is the policy of SCOMS to ensure balance, independence, objectivity, and scientific rigor in all of its educational programs. All participating faculty are expected to disclose to the participants any real or apparent conflict of interest related to the content of their presentation.

Who Should Attend? This conference is designed for all osteopathic medical professionals including those practicing family medicine, internal medicine, emergency medicine, and other primary care providers and specialists.
